

Join BCA members at a Progressive Town Meeting Sunday July 16, 3-5 pm South Berkeley Senior Center, 2939 Ellis St.

Last November, for the 1st time in 3 decades, Berkeleyans elected a truly progressive majority to the City Council and a progressive mayor! Most of the folk pictured here were endorsed in November's election by BCA, and other progressive groups.

Come celebrate their/our victories with Berkeley Citizens Action and hear from them, ask questions, suggest ideas for specific actions, discuss plans. Berkeley can lead the nation!

Some progressive priorities for Berkeley...

- Build permanently affordable housing, prevent displacement
- End homelessness
- Fair, impartial and demilitarized police department, eliminate racial profiling; create an independent police commission.
- Achieve racial & social justice; end disparities in education, health & jobs
- Develop a citizen budget commission with teeth
- Support small businesses,
- Make Berkeley the greenest, most sustainable city
- Feed and House UC students, make education affordable
- Progressive input in the next UC long term development plan
- Residents have a greater voice in how the city is run

What are your priorities?
